---

## POST #1

*[Company Name]* is proud to partner with Clear Blue Smiles, an innovative clear aligner company that is committed to doing things the right way, without any of the purple goop!

*PartnerSocialPost\_01*

---

## POST #2

*[Company Name]* is now a proud partner of Clear Blue Smiles, a company who shares our commitment to preserving the environment and making the world a better place.

*PartnerSocialPost\_02*

---

## POST #3

Not all clear aligners are created equally! Our partner Clear Blue Smiles uses the highest quality product and care to provide you with the best smile possible.

*PartnerSocialPost\_03*

---

## POST #4

We'd love to see you in our office, but if you don't have the time, we now offer virtual, remote orthodontic clear aligner treatment. We've partnered with Clear Blue Smiles to offer your more treatment options so you can get the smile you want, how you want.
