and the ordering process.**

CLEAR BLUE SMILES™

What's included in my Blue Assist Appointment?

- Your Blue Assist Mentor will provide you with the Blue Assist 6-step proprietary 'Standard Operating Procedure' protocols
- Your Blue Assist appointment with our expert Orthodontist will review the Blue Assist 4-step appointment protocol

What do I need for my Blue Assist Appointment?

- Upload your patient records to SureSmile Aligner
- Sign up for your Blue Assist Appointment
- Prepare by following the Blue Assist 4-step appointment protocol

Appointment #1

OVERVIEW

Review diagnosis and treatment plan.

Adjust the digital setup as needed for effective and efficient treatment.

Submit digital setup to the lab to embed the changes.

PREPARATION

Review handout:
#1 Ordering Case Type

Review handout:
#2 Consultation Process

APPOINTMENT

Appointment time commitment: 30-45 minutes

Will schedule call #2 at the end of this appointment.

Appointment #2

OVERVIEW

Review and confirm for digital setup.

Review ordering protocol for complete clear aligners.

Review clinical protocols for clear aligner treatment.

PREPARATION

Review handout:
#3 Ordering Complete Aligners

Review handout:
#4 Aligner Clinical Protocols

APPOINTMENT

Appointment time commitment: 30 minutes

Contact Ortho Mentor during case triage as needed for additional support.

Appointment #3

OVERVIEW

After the initial set of aligners have been completed, an additional set of aligners can be ordered if needed. This would address a functional concern by the Doctor or an aesthetic concern from the patient.

The previous workflows and protocols will be replicated during the refinement process.

PREPARATION
